ABOUT THE BOOK

Do you think you are destined to continue on the same path, with the same problems, struggles and shortcomings? For most of his life, Gary Rath thought so, until his life was radically changed by the power of God's Word. He learned firsthand that it is never too late for a fresh start. No matter what you have done or who you are - you can still find hope in a relationship with Christ. Gary reflects back on his life, and takes you on his journey witnessing how God worked to reveal a plan for his life. He was brought out of a life of hurt and pain and into one of hope and joy by the grace of God.

And for that, he gives God all the glory.

What journey are you on or ready to discover for your life? "I Have Been Brought to This Place" will encourage you to reflect and realize God's presence in your own life story. Allow this testimony of redemption and divine preservation to inspire you to pursue your own destiny in Christ. The journey awaits.

WHAT WE BELIEVE

- We believe the Bible to be God's inspired and infallible Word, and as such, the supreme authority in faith and life
- We believe there is one God, eternally existing in three persons - Father, Son (Jesus Christ) and the Holy Spirit
- We believe that Jesus Christ, by offering Himself on the cross, paid the penalty of man's sin, and all who receive Him by faith are born of the Holy Spirit and thereby become children of God
- We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life
- We believe in the resurrection of both the saved and the lost - those that are saved to the resurrection of eternal life and those that are lost to the resurrection of condemnation and eternal separation from God
- We believe in the spiritual unity of all believers in our Lord Jesus Christ, as He is understood from the Bible alone, regardless of denomination affiliation
- We believe that baptism is an outward sign of an inward reality demonstrating that a person has a new life in Jesus Christ and being blest by the living presence of the Holy Spirit
- We believe that our purpose for living is to glorify God by enjoying Him forever

WHAT PEOPLE ARE SAYING

"Often times in our daily lives we loose touch with the One who created us. We can find it hard for our knees to hit the floor in surrender to God. We can forget the beauty of being in the presence of God. Our souls become resistant to lay pride down before the Father. All of these things seem to fade around Gary. His passion to know Him is contagious. His awareness of the presence of God ushers you into that same presence where pride falls and humility rises. It is an experience that will inspire you to connect to the Father on a deeper level than you thought possible. I am blessed to know Gary and have him in my life."
